Nezam Accounting & Management Consultants L.L.C
Sharjah, UAE

Our Journey: From Foundation to Market Leader

Foundation Years

Established in **2014** our practice with a vision to provide world-class audit services to UAE's growing business community.

1

Services Expansion

Extended our reach across Emirates and Free Zones, building a diverse portfolio of satisfied clients.

2

Tax Advisory Excellence

Evolved into comprehensive tax advisory experts, guiding clients through UAE's new corporate tax landscape.

3

Market Leadership

Recognised as trusted advisers serving hundreds of businesses with unwavering commitment to accuracy and client success.

4

Today, we proudly serve clients across all seven Emirates and multiple Free Zones, delivering expertise that drives financial confidence and regulatory compliance.

Comprehensive Audit Services Tailored for UAE Businesses

Statutory Audits

Full compliance with UAE Commercial Law and FTA requirements, ensuring your financial statements meet the highest regulatory standards.

Internal Audits & Risk Assessment

Comprehensive controls testing and risk evaluation to strengthen your internal processes and safeguard assets.

IFRS Expertise

Global-standard reporting using IFRS and IFRS for SMEs frameworks, enhancing transparency for stakeholders and investors.

Specialised Services

Focused expertise for Free Zone entities and complex group structures across diverse sectors.

Taxation Services: Navigating UAE's New Corporate Tax Landscape

Corporate Tax Advisory

Strategic guidance aligned with Federal Decree-Law No. 47 of 2022, helping you understand obligations and optimise your tax position.

Tax Compliance

Expert preparation and filing of CT returns via EmaraTax portal, ensuring accuracy and timely submission.

Advanced Tax Planning

Deferred tax management, transfer pricing strategies, and tax optimisation to minimise liabilities whilst maintaining full compliance.

Cross-Border Expertise

Specialist support for Free Zone persons and international tax planning, navigating complex multi-jurisdictional requirements.

Success Story: Helping a UAE SME Navigate Corporate Tax for the First Time

01

The Client

Fast-growing technology startup generating AED 20 million in annual revenue with ambitious expansion plans.

02

The Challenge

Understanding the impact of UAE's new 9% corporate tax regime and ensuring seamless first-time compliance without disrupting operations.

03

Our Solution

Comprehensive end-to-end service including tax registration, accounting system adjustments, transitional calculations, and timely filing support.

04

The Result

Achieved full compliance with optimised tax position, zero penalties, and enhanced financial visibility for future growth planning.

Our Expertise in Financial Reporting & Advisory

IFRS Financial Statements

Meticulous preparation of financial statements under IFRS standards, ensuring accuracy and international comparability for stakeholders.

Deferred Tax Management

Expert handling of deferred tax assets and liabilities, with comprehensive analysis of tax accounting impacts on your financial position.

Accounting Elections Advisory

Strategic guidance on cash basis, realisation basis, and transitional rules to optimise your accounting approach under new regulations.

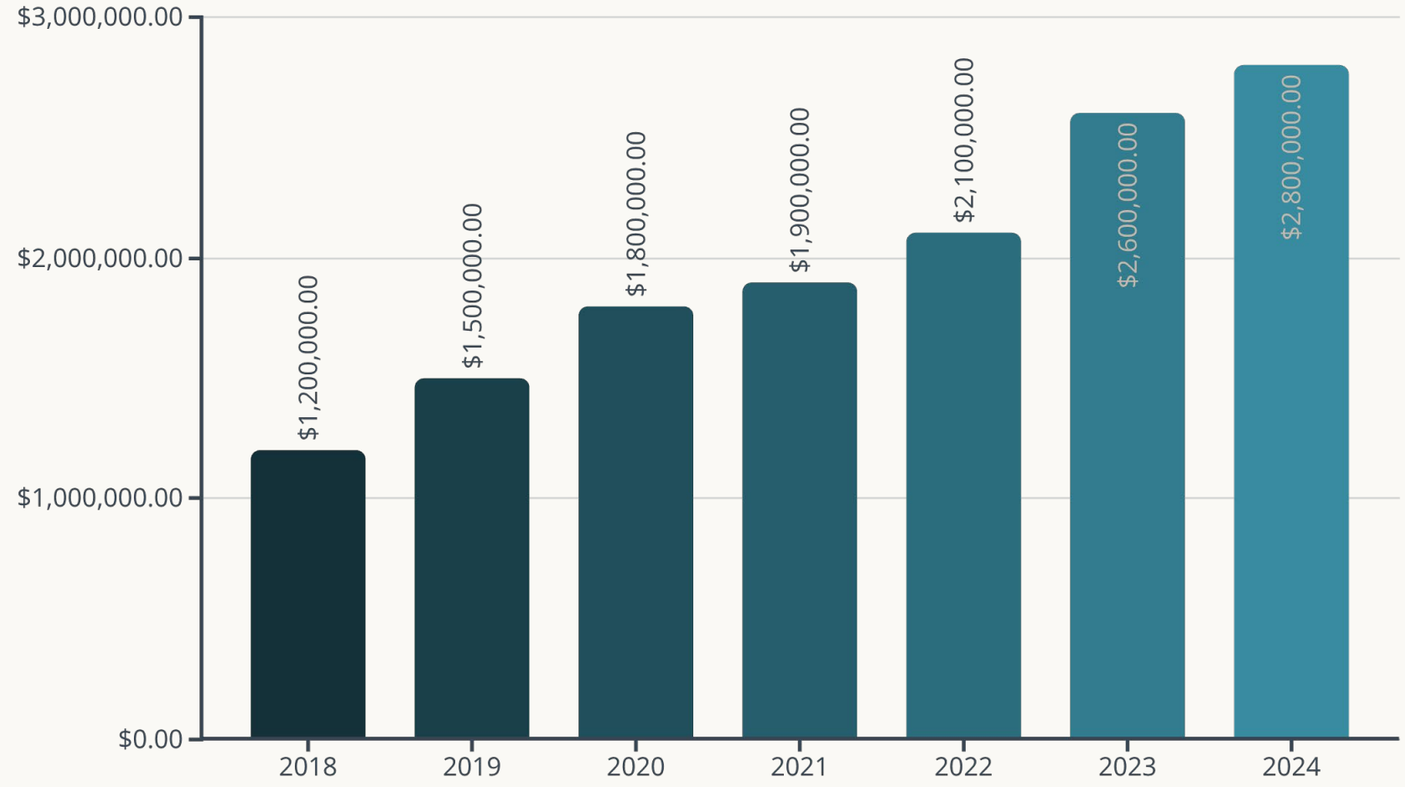

Transparency & Confidence

Enhanced reporting quality that builds investor trust and supports informed decision-making for business growth.

Consistent Revenue Growth: A Track Record of Success

Our commitment to excellence and strategic financial advisory has resulted in steady and impressive revenue growth over recent years, demonstrating our strong market position and client trust.

The chart illustrates our robust financial trajectory, with revenues growing consistently from AED 1.2 million in 2018 to AED 2.8 million in 2024. This upward trend reflects our expanding client base, diversified service offerings, and the successful delivery of value to businesses across the UAE.

Geographic Reach & Client Base

Strategic Office Locations

Established presence in Dubai, Abu Dhabi, and Sharjah, providing convenient access to our services across the UAE's major business hubs.

Diverse Sector Expertise

Serving real estate, manufacturing, trading, and service industries with tailored solutions that address unique sector challenges and opportunities.

Trusted by All Business Sizes

From ambitious SMEs and family businesses to multinational enterprises, we deliver partner-led service regardless of company size.

Strategic Partnerships

Collaborative relationships with UAE Free Zone authorities and regulatory bodies, ensuring our clients benefit from the latest insights and streamlined processes.
